Edit [Notification Preferences](#) and review your [Privacy Settings](#) on Handshake.

You can *'follow'* employers by going to the [Employers](#) tab to find specific jobs and upcoming events. Not every employer or event will be highlighted in the **Friday Forecast**.

**We use Slack to notify you of new and exciting opportunities!**

# SEARCH FOR OPPORTUNITIES

Open the **Jobs** tab on your homepage to search for job opportunities. You can search by keyword, industry, location, major, etc.

See the preferred **IS search filters!**

Don't forget to save your custom searches!!

Information Sessions and Career Fairs are great ways to learn more about an organization and start networking.

Information Sessions are found under the **Events** tab of Handshake.

If you **'follow'** a company, events for that company will appear in your newsfeed!!
